Miss Gryglak,

Regarding our correspondence of February 24, 2017, I want to make the following clarifications:

- 1) West Shore Medical Center was purchased by Munson Health Care on April 1, 2017. We wish to terminate our NRC license, 21-16277-01 and transfer it to Munson Medical Center's NRC license, 21-08317-01.
- 2) There will be no facility or personnel changes at this time. Dr. John Raymond will continue to be the Radiation Safety Officer at this facility until further notice.

I'm copying Dennis Aurand, the Physicist and Radiation Safety Officer at Munson Medical Center.

Please call me if you have any further questions, (231) 398-1546.

Sincerely,

James Brand, B.S. RT (R), RDMS, RDCS, RVT
