U.S. Nuclear Regulatory Commission  
Attn: Document Control Desk  
Washington, DC 20555-0001

SUBJECT: CHICAGO BRIDGE & IRON'S RESPONSE TO THE NRC INSPECTION REPORT  
NO. 99901432/2017-201 AND NOTICE OF NONCONFORMANCE

REFERENCE: LETTER FROM JOHN BURKE (NRC) TO JAMES M. ROSSIGNOL (CB&I LAURENS),  
U.S. NUCLEAR REGULATORY COMMISSION INSPECTION REPORT NO.  
99901432/2017-201 AND NOTICE OF NONCONFORMANCE, DATED MARCH 30,  
2017.

Dear Sir,

CB&I Laurens is requesting an extension to the thirty (30) day response time provided in Notice of Nonconformance letter. Due to the time needed to complete the investigation of the notice of violation (99901432/2017-201-01) and notice of nonconformance (99901432/2017-201-02), CB&I is requesting an additional thirty (30) days to complete the response to the subject Notice of Violation and Notice of Nonconformance, respectively. This extension is needed in order to complete needed UT examinations and performance of a Root Cause Analysis for the two noted issues respectively. Per this extension request the new due date for the response for the two above noted items will be May 29, 2017. All the remaining identified notice of nonconformances will be responded to in the thirty (30) day timeframe as noted in the report. Should you have any questions regarding this submittal, please contact Matt Rossignol, Quality Assurance Manager, at (864) 683-3986.

Please disregard the previously submitted extension request that was also referenced within the submitted NON response dated 4/21/2017.

Regards,

Matt Rossignol  
Quality Assurance Manager
