REC R6 1 05 01 17 AM 0703

We are requesting to amend License Number 47-07838-01. This request is necessary due to Mr. John Fowler no longer being employed by the West Virginia Division of Highways, and to add Mr. Daniel Brayack as our Radiation Safety Officer.

Mr. Brayack has trained with Mr. Fowler over the past year and worked in conjunction with the West Virginia Radiation Safety Program for five years. He recently completed the Radiation Safety Training by Nevada Technical Association with instruction by Dr. P. Andrew Karam, PhD, CHP. Mr. Brayack is a licensed Professional Engineer and completed both his BS and MS in Civil Engineering from West Virginia University.

Mr. Fowler intends to continue to help Mr. Brayack until he feels comfortable with these duties by himself. Mr. Brayack feels confident that he can continue the route of an effective Radiation Safety Program with the West Virginia Division of Highways.

Should you have any questions, please feel free to contact me at (304) 558-9874.

Very truly yours,

Ronald L. Stanevich, P. E.
