To whom it may concern:

Please remove the remote storage shed that is located behind the hospital as an area of use from our license. All radioactive material has been removed from this area. Closeout surveys of the area (shed) have been performed and are attached. The shed will remain a restricted area until notification has been received from your office

Please contact our consultant, C. Kelly Stoneberg, at (888) 456-5255 with any questions or concerns.
