Dear Mr. Sackett:

We have reviewed your request dated April 5, 2017. We determined that the record was incomplete. Specifically, the decommissioning survey stated that a drawing for the location of wipes and surveys was attached; however, we could not locate the drawing. Please provide a copy of the drawing for the location of wipes and surveys which was discussed in the decommissioning survey. Please indicate Mail Control No. 594447 in your response to facilitate proper mail handling in our office.

If you have any questions, please contact me at 630-829-9623 or reply to this email.

Thank you,

Frank Tran

Frank,

I received the amendment adding the new address but noted that the old address was not removed. Attached is a signed request to remove our previous address from the license. I have also reattached the decommissioning report for the location to be removed.

Thank you.
