

PUBLIC MEETING ANNOUNCEMENT

Title: ***UPDATED AGENDA***Notice of Category 3 Public Meeting on the “Regulatory Improvements for Power Reactors Transitioning to Decommissioning” Rulemaking

Date(s) and Time(s): May 08, 2017, 09:30 AM to 05:15 PM
May 09, 2017, 09:30 AM to 05:00 PM
May 10, 2017, 09:30 AM to 11:00 AM

Location: NRC Headquarters- White Flint
11555 Rockville Pike
Rockville, MD

Category: This is a Category 3 meeting. Public participation is actively sought for this meeting to fully engage the public in a discussion of regulatory issues.

Purpose: The purpose of this meeting is to discuss the draft regulatory basis and associated preliminary draft regulatory analysis (ML16271A511) for the rulemaking on regulatory improvements for power reactors transitioning to decommissioning. The NRC staff published the draft regulatory basis for comment on March 15, 2017 (82 FR 13778). The staff plans to publish the preliminary draft regulatory analysis for comment by the end of April. Specifically, the objective of this meeting is to enhance external stakeholders’ understanding of these two documents to inform development of comment submissions. During this meeting, the NRC staff will provide presentations on the draft regulatory basis and the preliminary draft regulatory analysis. Members of the public are also encouraged to ask questions and provide feedback during this meeting. However, the NRC is not taking formal comments at this meeting. All comments must be submitted in writing in accordance with the instructions listed in the Federal Register notice.

Contact: Alysia Bone Jenny Tobin
301-415-1034 301-415-2328
alysia.bone@nrc.gov jennifer.tobin@nrc.gov

Teleconference: Bridge Number Pass Code
(888) 395-6979 7212349

Comments: This meeting will be webcasted at <https://video.nrc.gov/>

Please notify the meeting contacts, preferably by email, of your intention to participate in-person or using the teleconference and/or webinar by May 2, 2017. This will allow the NRC to expedite security registration and ensure that a sufficient number of materials and number of phone lines are available.

Teleconference:

Interested members of the public unable to attend the meeting in person may participate by telephone via toll-free teleconference and/or webinar.

Please notify the meeting contacts, preferably by email, of your intention to participate using the teleconference and/or webinar by May 2, 2017, so the NRC staff can ensure that a sufficient number of lines are available.

On the day(s) of the meeting, please dial in to the bridge line 10 minutes prior to the meeting to allow adequate time for the operator to connect you to the conference call.

Comments:

Attendees are encouraged to review the draft regulatory basis prior to the meeting (available in ADAMS under Accession No. [ML17047A413](#)).

The draft regulatory basis is also available on www.regulations.gov in docket NRC-15-0070; the preliminary draft regulatory analysis will be placed on this docket in the near future as well.

Seating is limited and available on a first-come basis.

Please inform the NRC meeting contacts, preferably by email, of your intention to attend by May 2, 2017.

Please provide name and company or organization for each attendee.

Please arrive 30 minutes early to allow time for security registration.

The time of the meeting is local to the jurisdiction where the meeting is being held.

The NRC provides reasonable accommodation to individuals with disabilities where appropriate. If reasonable accommodation is needed to participate in this meeting, or if a meeting notice, transcript, or other information from this meeting is needed in another format (e.g., Braille, large print), please notify the NRC meeting contact. Determinations on requests for reasonable accommodation will be made on a case-by-case basis.
