Subject: Dresden Station Units 2 and 3
GSEP Annex Revision 4
NRC Docket Nos. 50-237/249

Dear Mr. Keppler:

Enclosed for your review and approval is the Dresden Station Generating Station Emergency Plan Annex Revision 4. Since the changes do not reduce the level of commitment, we are proceeding with distribution of this revision. A copy of this letter along with two copies of Revision 4 is being sent to the Document Control Desk.

If there are any questions on this matter, please contact this office.

Sincerely,

G L Alexander
