Mr. A. Giambusso  
U.S. Atomic Energy Commission  
Washington, D. C. 20545

Dear Mr. Giambusso:

Subject: Cost-Benefit Analysis Report  
Dresden 2 and 3, Dockets  
50-237 and 50-249

As part of your letter of May 17 transmitting "Guide For Submission of Information on Cost and Benefits...", you requested the submittal of such information for Dresden 2 and 3 in 6 weeks of receipt of the letter.

We have initiated the preparation of this information both in-house and by our contractor but estimate that completion of the final report will require about 30 additional days beyond the time indicated. Therefore, we hereby request an extension of 30 days of that due date for the filing of the report.

Yours very truly,

Byron O. Lee, Jr.  
Assistant to President
