Dear Mr. Lee:

As specified in the Council on Environmental Quality Guidelines, we have requested Federal, State and local agencies to comment in connection with the Draft Environmental Statement for the Dresden Nuclear Power Station, Units 2 and 3. The enclosure to this letter contains a list of comments received to date.

Please review these comments and submit any responses you deem appropriate by October 15, 1973. Your reply should consist of three signed originals and 40 additional copies.

Sincerely,

Original signed by B. J. Youngblood

B. J. Youngblood, Chief  
Environmental Projects Branch 3  
Directorate of Licensing
