 NRC Docket Nos. 50-237/249 and
 50-254/265

Dear Mr. Lear:

To implement the conclusions of the Mark I Owners Group regarding Decision Point #3, it was necessary to revise the Mark I Containment Program. To properly document the modified Program, a revision to the Program Action Plan is required. Revision 3 of the Program Action Plan has been transmitted to the NRC by General Electric via L. J. Sobon's letter to V. Stello, dated February 15, 1978. Revision 3 of the Program Action Plan should be included on the Dresden Station Units 2 & 3 and Quad-Cities Station Units 1 & 2 dockets.

One (1) signed original and fifty-nine (59) copies of this letter are provided for your use.

Very truly yours,

Daniel L. Shanblik
