Re: License No. 24-11128-02  
Control No. 592786

Dear Colleen Casey,

Missouri Baptist Medical Center (MBMC) would like to make the following change to its NRC License:

- 1) Please remove the following address from section 10.B:

**MB Cardiology Outpatients, 3315 N Ballas Road, Suite 262C, St. Louis, Missouri**

This address is not a location of use and never has been used for radioactive materials. This address was added based on a letter we submitted to the NRC on August 24, 2011, which incorrectly stated the address. The correct address is Building C, 3009 N. Ballas Road, Suite 262 which is already on the license.

If you require further information on this matter do not hesitate to call me at 314-996-5397. My email address is [tjm0476@bjc.org](mailto:tjm0476@bjc.org).

Sincerely,

Thomas J. Moenster  
Radiation Safety Officer  
Missouri Baptist Medical Center
