SUBJECT
Additional Information Needed

SUMMARY
In a letter to the NRC dated January 25, 2017, you requested to change the radiation safety officer listed on your license. In order to complete our review, we will need the following information:

For all Licenses:
Please provide documentation that Mr. James has received hands on training with the use of both the fixed and portable gauges authorized by the licenses.

For License No. 21-02335-09:
No additional information is needed.

For License No. 21-32707-01:
The NRC has changed to a new system for generating licenses. This change requires to have a separate possession limit for the two gauge models listed on your license. Please provide a specific possession limit for each device listed on this license.

Continue on Page 2

ACTION REQUIRED (IF ANY)
Please submit your response by May 5, 2017 and reference it to my attention. Your response must be currently dated and signed. If you have any questions or require clarification of any of the information stated above, please do not hesitate to contact me at 630-829-9607

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter and its enclosure will be available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

CONVERSATION RECORD (continued)

SUMMARY: (Continued from page 1)

For License No. 21-02335-05:

In this request, you asked to add Thomas J. Kurhanweicz as an Authorized User to do non-routine maintenance. However, in his training documentation, it does not indicate that he has had training in non-routine maintenance. Please provide updated training records showing Mr. Kruhanewicz has received training in non-routine maintenance activities.

The NRC has changed to a new system for generating licenses. This change requires to have a separate possession limit for the gauge models listed on your license. Please provide a specific possession limit for each device listed on this license.

For License No. 21-02335-06:

The NRC has changed to a new system for generating licenses. This change requires to have a separate possession limit for the gauge models listed on your license. Please provide a specific possession limit for each device listed on this license.

For License No. 21-02335-08:

In your most recent inspection, you indicated that you intended to terminate this license. Please clarify when or if you intend to submit a license termination.

If you chose not to terminate this license, you will need to provide the following: The NRC has changed to a new system for generating licenses. This change requires to have a separate possession limit for the gauge models listed on your license. Please provide a specific possession limit for each device listed on this license.

For License No. 21-02335-12:

The NRC has changed to a new system for generating licenses. This change requires to have a separate possession limit for the gauge models listed on your license. Please provide a specific possession limit for each device listed on this license.
