Subject: Request for Additional Information for License Application for RK Construction Company

Licensee Name: RK Construction Company
License No.: 47-35422-01
Docket No: 03039045
Control No: 594567

Mr. Nathan Mowery,

This refers to your application for a new license dated April 12, 2017. In order to continue our review of your application, the following additional information is needed:

1. Please provide a written management organizational chart that details the chain-of-command from the Authorized Users (AU) to the Radiation Safety Officer (RSO) and through upper management.
2. Based on the documentation for the RSO, he will need to perform refresher training for Hazardous Materials in accordance with 49 CFR 172 subpart H.
3. The "Certifying Officer" block of the application was signed by the prospective RSO. The representative signing the application must be authorized to make binding commitments and to sign official documents on behalf of the applicant.

OR

A representative of the applicant that is authorized to make binding commitments and to sign official documents on behalf of the applicant must authorize, in writing, that the RSO is authorized to make binding commitments and to sign official documents on behalf of the applicant.

4. Please provide the number of each type of portable gauge that you want to possess under this specific license.
5. Please provide a facility diagram for the permanent portable gauge storage location. Include on the diagram the use of adjacent areas (including above and below).
6. Please change all references of NUREG-1556, Vol. 1, Rev. 1, "Consolidated Guidance About Materials Licenses: Program Specific Guidance About Portable Gauge Licenses" described in your application to NUREG-1556, Vol. 1, Rev. 2, "Consolidated Guidance About Materials Licenses: Program Specific Guidance About Portable Gauge Licenses."

Your reply must be an originally signed and dated letter. The letter may be scanned and submitted as a pdf document attached to an email; or it may be transmitted by facsimile to (610) 337-5269; or it may be sent by regular mail. If we do not receive a reply from you within 30 calendar days from the date of this e-mail, we will assume that you do not wish to pursue your application request.

Please respond by e-mail to acknowledge that you have received the e-mail request for additional information.
