Michelle,

Please see the comment below from my rules individual regarding comment number 1. I agree with your second comment regarding the "revised finals."

Brian

Director,

On the RATS ID Summary of Changes that I sent you, I listed 2002-4 and 2004-1 not 2000-2 and 2004-2. 2002-4 and 2004-1 were listed and had comments.

Sincerely,

Colby McCormick
State Health Physicist

Hi Brian, thanks for the submittal. I have two comments:

- It appears that you do not need to submit regs for RATS IDs 2000-2 and 2004-2 as these two are listed as "final no comments" on your SRS sheet??;
- The other RATS that you have submitted and that we have commented on previously, I will call them "revised finals" since the SRS says that these were submitted as finals already.

Please let me know if you agree with the above or if I am missing something.

Thanks,
Michelle
