Dear Mr. Grier,

In my letter to you dated February 15, 1979, (PLA 323) I advised you that PP&L would investigate allegations made at the January 30, 1979, Pre-Hearing Conference by Mrs. Mary K. Creasy.

An investigation by our Internal Auditors has been completed. Their extensive investigation, which required eight man-weeks, did not substantiate Mrs. Creasy's allegations.

Sincerely,

NW Curtis
