Sir:

Please send the "Environmental Assessment:
Use of Epicore II at 3 Mi. Island" to all

the names on the enclosed list. If the

Federal Register Notice for comments on

this report is also available, please send
it also.

→ TO DR H DEWTON: You told
the Kemeny Commission that there
would be a continuation of the
licensing moratorium. However,
the TV states that licensing for
Berwick has been approved.
Please explain.
