50-388

Dear Mr. Bechhoefer:

The Susquehanna Environmental Advocates (SEA) were served with a "Motion to Dismiss SEA" by PP&L on Friday, October 26, 1979.

SEA filed a "Motion for Extension of Time" on September 12, 1979. We have received no ruling from the Board on our motion to this date. Thus it would seem that, as a matter of law, PP&L's motion is out of order, as well as being offensive.

Please advise SEA if this is the case. We see no need to file a response to PP&L's motion at this time.

Sincerely,

Gerald R. Schultz
