Dear Mr. Chalk,

I would like to request time to make a limited appearance statement at the upcoming licensing hearings for PPL's nuclear plants (Docket No's. 50-387 and 50-388), since I feel it is my right as a citizen and tax payer of the U.S. to speak up my defence for my health and taxes. Would you please notify me when the hearings will be held and specifically when I may speak? I must know ahead of time so that I can arrange to get off from work. Thank you very much.

Sincerely,

Linda J. Pulaski
