Dear Samuel Chilk,

My husband and I are requesting time to make a limited appearance statement at the licensing hearings for PP+L's nuclear plants (Docket No.'s 50-387 and 50-388) Please notify us as to when the hearings are to be held and when we would be able to speak.

Please retain ECNP and CAND as intervenors. PP+L isn't afraid of what they have to say, are they?

Acknowledged by card 12/5/79
Sincerely
Kathie Spallone
