Samuel Chilk, Secretary U.S. Nuclear Regulatory Commission Washington, D.C. 20555

Dear Mr. Chilk:

I understand that the Commission will be holding hearings for the licensing of Pennsylvania Power and Light's proposed nuclear power plant near Berwick, PA.

I request permission to make a limited (one or two minute) statement at the hearings. Please inform me of the time and place to make a statement. Thank you very much.

Sincerely yours,

Beverly England Williams
