Dear Mr. Chick,

I would like to be notified of the time & location of the upcoming licensing hearing for the reactor at Berwick, Pa.

I think that it is a reasonable request to ask the N.R.C. to schedule some of these hearings on week-ends &/or in the evenings for those of us who want to attend them but hold daytime jobs. I would hope the NRC does not schedule their meetings during the daytime so that the majority of interested people cannot come.

Also I would like to be sent a request for a limited appearance statement in conjunction w/ these hearings. Thank you for your →

attention, and know that I will be
monitoring your voting record in the
upcoming months.

Sincerely,

Trish Westledge
