MEMO
TO WASHINGTON OFFICE
RE REQUEST RECEIVED FROM

JOHN ULMA
501 E. Church St.
Susquehanna, Pa. 18847

He said sometime ago N.R.C. voted to hold back on the licensing of Nuclear Plants for a specified period (he thought six months).

There was an article in the Scranton papers last week that the Berwick Plant is moving ahead on licensing procedure.

He would like an update on both the licensing regulations, and the Berwick Plant's License - or its application therefor.
