PROD. & UTIL. FAC. 50-387,388

8004800008

I would like to be notified of the time and location of the upcoming licensing hearing for the reactor at Brunswick Pt.

I would also urge the N.R.C. to consider scheduling some of these hearings on weekends and/or in the evening for those people who are interested in attending them but who hold day time jobs. In addition I would like to be sent a request for limited appearance statement in conjunction with these hearings.

Ronald C. Tauber
