Dear Mr Chilk.

I would like to be notified of the time & location of the upcoming the licensing hearing for the reactor at Bearwick, Pa.

I would also urge the NRC. to consider ~~into~~ scheduling some of these hearings on weekends or evenings for those people who are interested in attending them but who hold daytime jobs.

In addition, I would ^{like to} be sent a request for a limited appearance statement in conjunction w/ these hearings. Thanks.

Sincerely,
Andrew Lem
