Commissioners Hendrie, Bradford + Gulinski
c/o Nuclear Regulatory Commission
Washington, D.C. 20055

Dear Commissioners:

I have heard through the news media + information groups that PPL is possibly misusing the interrogatory process to limit participation of intervenors at the upcoming licensing hearings for the Berwick Nuclear Plant.

I do not know how true this is, and realize that the commissioners are not directly involved in the licensing process at this point. ^{However,} ~~but~~ I feel you should look into the possibility that the interrogatory process may be being misused.

Sincerely,

Roberta M. Wiggins
