attn: Charles Bechhoefer, Chairman

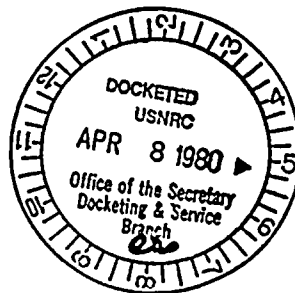

Dear Mr. Bechhoefer:

Although I requested permission to make a limited appearance in the hearings procedure concerning the licensing of the nuclear power plant being constructed by PP&L (Docket Nos. 50-387, 388) in July, I am not certain if that request will automatically schedule me to make a limited appearance at the prehearing conference scheduled for 20 March 1980 in Courtroom No. 2, U.S. Federal Building and Courthouse, Wilkes-Barre.

I am writing, therefore, to request inclusion in the limited appearance portion of the proceedings on that date.

Sincerely yours,

*Florence Thompson*
