Dear Mr. Bechhoefer:

I'm writing to you personally on a matter that seems serious to me. On March 27, 1980 I sent a letter to you and the other members of the ASLB for the Susquehanna OL hearings. I enclosed in the envelope a post paid postcard, which I asked be placed in the mail so I would know my letter had arrived. Today, three weeks later, the postcard has still not returned.

Perhaps the letter did not arrive; perhaps the postcard got lost; and perhaps it was an oversight.

The letter was in lieu of a Limited Appearance Statement I had not been able to make at the March 20th hearing because of the extended nature of the morning session. I have a poor copy of my letter which I am including with this note. I would appreciate knowing if you receive it.

Thank you for your time.

Sincerely,

James Perkins
