Samuel Chilk, Secretary

U.S. Nuclear Regulatory Commission  
Washington D.C. 20555

Dear Chilk:

I am writing to request time to make a Limited Appearance Statement at the licensing hearings for Pennsylvania Power and Light's Susquehanna Steam Electric Stations 1 and 2 now under construction in Berwick, Pennsylvania (Docket numbers: 50-387 and 50-388).

Please inform me when and where these hearings will take place and when I will be able to speak.

I also would like to request two things. First of all, I think some of the hearings should be held in the evening and/or on the weekend in order to allow working to participate. Secondly, I would strongly suggest that hearings also be held in Allentown/Bethlehem since this is the most populated area which PP&L services.

Thank you. I look forward to hearing from you soon.
