Dear Mr. Grier:

The following information supplements our previous response (PLA-612) to IE Bulletin 80-21, "Valve Yokes Supplied by Malcolm Foundry Company, Inc."

PP&L expects confirmation by March 16 that there are no subject valve parts cast by Malcolm Foundry Company, Inc. in use at SSES other than those previously identified. A complete response including estimates of manpower expended will be provided by April 3, 1981.

Very truly yours,

N. W. Curtis
