Dear Dr. Hanauer:

Pennsylvania Power & Light Co. acknowledges receipt of your letter dated October 15, 1981, and agrees with the dates specified in the letter, that is the weeks of January 17 and February 7 for the written examinations with the simulator and oral tests beginning the week of March 22, 1982. We have forwarded under separate cover all materials identified in Attachment 1 which were requested by Mr. Cooley: items 1,2,3,5,6,7,8,9,10,11.

The license applications for operators and senior operators will be submitted to Mr. Paul Collins by December 6, 1981, which is the date requested by Mr. Cooley. We will accelerate application submittal processing in an attempt to give OLB as much additional review time as possible. Action is in progress to meet the requirements of Attachment 2 to your letter.

Very truly yours,

N. W. Curtis
Vice President-Engineering & Construction
