Docket Nos. 50-387
50-388

Dear Mr. Schwencer:

The attached document is a Detailed Control Room Design Review Program Plan describing a program to perform a detailed control room design review for Susquehanna in response to NUREGS 0700 and 0801. This plan is being submitted for your review in response to your stated intention to require such a program. Performance of the Detailed Control Room Design Review has been deferred until an implementation schedule is established.

We would appreciate the staff's comments on this plan.

Very truly yours,

N. W. Curtis
Vice President-Engineering & Construction-Nuclear
