In accordance with 10CFR73.21 and NUREG-0794, PP&L has conducted a review of the Security Training & Qualification Plan through Change A to identify those portions of the plan which contain Safeguards Information. The pages listed below have been determined to contain Safeguards Information.

- 2-1(A) through 2-121(A)
- 3-1(A) through 3-6(A)
- A-1(A)

Please mark these pages "Safeguards Information" conspicuously at top and bottom. In accordance with 10CFR 73.21(d), Safeguards Information must be stored in an approved, locked security container when not in use.

The attached determination sheets should be entered into your copies of the plan immediately preceding the signature page.

Very truly yours,
