Docket Nos. 50-387

PLA-2525

50-388

Dear Dr. Butler:

In accordance with item 4b of the Unit 1 Confirmatory Order dated June 14, 1984, and with item (d)(2) of Attachment 2 to the Unit 2 Operating License (NPF-22), the upgraded Emergency Operating Procedures have been implemented.

This completes our action with respect to the noted requirements for implementation of upgraded emergency operating procedures.

Very truly yours,

N. W. Curtis
Vice President-Engineering & Construction-Nuclear

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that this is essential for ensuring the integrity of the financial statements and for providing a clear audit trail.

2. The second part of the document outlines the various methods used to collect and analyze data. It describes how different types of information are gathered and how they are processed to identify trends and anomalies.

3. The third part of the document focuses on the results of the analysis. It presents a detailed breakdown of the findings, highlighting key areas of concern and providing recommendations for improvement.

4. The fourth part of the document discusses the implications of the findings. It explains how the results can be used to inform decision-making and to develop strategies to address the identified issues.

5. The fifth part of the document provides a summary of the key points discussed in the report. It reiterates the importance of the findings and the need for continued monitoring and reporting.

6. The sixth part of the document includes a list of references and a list of figures. The references provide additional context and support for the findings, while the figures illustrate the data presented in the report.

7. The seventh part of the document is a conclusion. It summarizes the overall findings and provides a final recommendation for action.

8. The eighth part of the document is a list of appendices. These provide additional information and data that support the findings of the report.

9. The ninth part of the document is a list of footnotes. These provide additional information and clarification for the findings of the report.

10. The tenth part of the document is a list of references. These provide additional context and support for the findings of the report.
