Subject: RAI, Reason for Amendment

Discussion: I asked Mr. Contas the reason for the amendment. He said it was for the new storage locations. I asked if he wanted to change the commitments that was submitted in the application dated January 13, 2010, and he said they should stay the same. I asked if he wanted to change the amount of material on the license as he requested less that was currently authorized. He said he didn't want to change that. He only wanted to add the new storage location to the license. I asked for his title which is Corporate Operations and Development. I asked if he was management and was able to make commitments for the licensee and he said he could.

Action Required: Amend the license to add the new location
