Subject: Availability of the NRC's Final EIS for the Northwest Medical Isotope Production Facility

Chris and Brittne,

The U.S. Nuclear Regulatory Commission has completed NUREG-2209, "Environmental Impact Statement for the Construction Permit for the Northwest Medical Isotopes Radioisotope Production Facility, Final Report" in accordance with the National Environmental Policy Act of 1969, as amended. The final Environmental Impact Statement is available at the following location: <https://www.nrc.gov/reading-rm/doc-collections/nuregs/staff/sr2209/>.

Please feel free to contact me if you have any questions.

Regards,
Michelle
