RE: Citizen Advisory Panel  
Panel Vacancies

Dear Commissioner Hendrie;

We of the Susquehanna Valley Alliance would like to make a formal request that the Commission fill the vacancy on the Citizen Advisory Panel created by Ms. Jean Royer Kohr's illness as soon as possible.

Since our position on the decontamination and cleanup of Three Mile Island Unit 2 has been one of citizen input and advocacy, we feel it imperative that another citizen be placed on the Panel. In this light, we would like to recommend that Mr. Thomas D. Smithgall of Lancaster, Pa., be named as a substitute for Ms. Kohr to this Panel.

Mr. Smithgall has worked closely with Ms. Kohr over the last two years and gained a certain level of expertise and understanding that would make him excellently qualified to carry on with Ms. Kohr's work and to accurately voice the concerns and wishes of the citizens of this area.

It is our hope that the Commission will heed our request in an expeditious manner so that the Panel will have the benefit of continued citizen input. If there are any questions, please advise. Thank you.

Cordially, *Henry B. Walters Dale E. Singer Barbra Bray-Smith*
