Subject: Re: Final Radium Program Dose Assessment Technical Basis Document
Date: Wednesday, May 31, 2017 11:08:59 AM

David-

This email is to inform you that NRC has accepted your recent revisions to the Final Radium Dose Assessment Technical Basis Document, dated May, 2017. Thank you and your team for all their hard work on this report.

Chris

Dave,

The subject document is attached for your records. The Word version of the main text is attached in case you need it.

Thanks.
