Re: Bankruptcy Notification - ICG Beckley, LLC - License : 47-31475-01

To Whom It May Concern,

Per our previous notice to NRC dated 1-1-2016, Arch Coal Inc. and certain of its direct and indirect subsidiaries (collectively the "Company") filed voluntary petitions for relief under Chapter 11 of the U.S. Bankruptcy Code. This notice is to inform NRC that on October 5, 2016, the Company consummated its plan of reorganization (the "Plan) and emerged from Chapter 11. Pursuant to the Plan, the Company's emergence from Chapter 11 did not constitute a change in control.

During the Chapter 11 reorganizing process, and upon emergence, ICG Beckley, LLC has retained control of all sources assigned to ICG Beckley, LLC and under 47-31475-01. The Radiation Safety Officer remains Terry Allison at this time.

If you have any questions about the Company's emergence from Chapter 11, please contact Terry Allison .

Sincerely,
ICG Beckley, LLC

Terry Allison
