SUMMARY

Mr. Dryden,

Additional information is needed to process your current amendment request (ML17065A185) to license 21-16732-01. This information included leaks test results and shipping information for the sources that were disposed. Please send this information by May 19th, as it will be required to process the request. Please also include a signed and date letter (scans are fine) with the information.

If you have any additional questions please contact me.
