SUBJECT: DELEGATION OF AUTHORITY FOR RADIATION SAFETY OFFICER
TO: Radiation Safety Officer
FROM: Children's Mercy Kansas City Administration
SUBJECT: Delegation of Authority
DATE: February 8, 2017

You, Mohammed Aljallad, PhD, having been recognized as meeting the training and experience requirements and being designated on our NRC License (24-15513-01) as Radiation Safety Officer (RSO) are officially appointed Radiation Safety Officer for Children's Mercy Kansas City.

You are responsible for ensuring the safe use of radiation. You are responsible for managing the radiation protection program; identifying radiation safety problems; initiating, recommending or providing corrective actions; verifying implementation of corrective actions; stopping unsafe activities; and ensuring compliance with regulation.

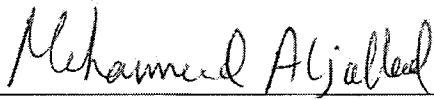

You are hereby delegated the authority necessary to meet those responsibilities, including prohibiting the use of byproduct material by employees who do not meet the necessary requirements and shutting down operations when justified by radiation safety. You are required to notify management of situations where staff are not cooperating and not addressing radiation safety issues. In addition, you are free to raise issue with the Nuclear Regulatory Commission at any time. I also extend to you the authority to sign license amendments.

Dear Dr. Aljallad:

As we discussed on May 19, 2017, additional information is needed to list you as the Radiation Safety Officer (RSO) on the above referenced radioactive materials license. I have left you several voice messages at the number listed in the above referenced radioactive materials license.

Please provide a copy of a Memorandum of Understanding /Delegation of Authority (MOU/DOA) appointing you as the Radiation Safety Officer (RSO) and accepting those duties. For your convenience, a copy of a model MOU/DOA is attached to this message.

Please provide the requested information by close of business today, June 5, 2017. Include a signed and dated cover letter transmitting your response.

Submission of your response as a pdf file attached to an email or via facsimile will allow for the quickest processing. Please call me to follow up on this request and with any questions you may have.

Sincerely yours,

Sara A. Forster, Health Physicist Licensing Reviewer
