Gentlemen:

Subject: Management Meeting Report Nos. 50-387/88-08 and 50-388/88-08

On March 2, 1988, Region I held a Management Meeting at the NRC Region I Office, King of Prussia, Pennsylvania, with you and other PP&L representatives to discuss your actions associated with the inattentiveness of a licensed operator on duty. This meeting was a follow-up to your written report of September 14, 1987 and our January 12, 1988 reply.

The enclosed report describes the scope of the meeting, and our understanding regarding your commitments. If your understanding differs from that described in the enclosed report, please contact Mr. A. Randy Blough of my staff promptly. We believe the meeting was beneficial and improved our understanding of your investigation and your response actions.

We intend to complete our review of this matter after we receive an additional submittal from you as described in the enclosed report.

Thank you for your cooperation.

Sincerely,

Original Signed By:

~~William F. Kane, Director~~
~~Division of Reactor Projects~~
