Dear Mr. Lamereaux:

This is to confirm that we will plan to meet you and others from your office at 10:00 a.m. on Thursday, September 8, 1988, at the Susquehanna Steam Electric Station north gate house.

We look forward to touring the site and discussing the status of our construction and demolition sites and other waste handling facilities with you.

When you identify which personnel from your office will be attending, I would appreciate it if you could contact myself or Jerry Fields a day in advance with the following information so I can arrange for a security clearance:

- Full Name
- Home Address
- Date of Birth
- Social Security Number

You may contact Jerry Fields at (215) 770-7889 or me at (215) 770-7891.

I appreciate your interest in our waste management operations and look forward to a successful day of discussion and information exchange.
