Pennsylvania Power & Light Company
ATTN: Mr. Harold W. Keiser
Senior Vice President - Nuclear
Allentown, Pennsylvania 18101

Gentlemen:

On January 17, 1991, Mr. Minneman and support staff met with members of the Region I staff in King of Prussia, Pennsylvania to discuss proposed revisions to the Emergency Classification Scheme for the Susquehanna Steam Electric Station. Specific items discussed during this meeting are documented in the enclosed meeting summary.

We believe that the meeting was beneficial to the mutual understanding and working relationships involving the regulatory process. Please keep us informed as you make progress in completing this effort.

Sincerely,

Original Signed By:
James H. Joyner
