FEBRUARY 22, 1991 PP&L/NRC MEETING
PLA-3537 FILE R41-2

Docket Nos. 50-387
and 50-388

Dear Bill:

Thank you for taking time out of your busy schedule to meet with Harry Keiser, Bob Byram and me on February 22. I believe our discussions on Technical Specification Improvements, Power Uprate, and Training were enlightening. We want you to know that we support your efforts to examine the need for expanding the National Academy for Nuclear Training's accreditation program into other areas. I also want to confirm that PP&L will open a dialogue regarding the NRC's proposed Integrated Regulatory Requirements Schedule with Region I.

For your information, we are contacting Region I to request a copy of the videotape we discussed on the role of the NRC Resident Inspector. It will be a useful addition to the programs at our Information Center.

Thank you again for meeting with us.

Sincerely,

J. T. Kauffman
