Subject: RAI, Source Disposal and Licensed Quantity

Discussion: I asked Mr. Butterworth, what happened to the plated foils that were used for research and development, since he no longer want to be licensed for research and development. He said he would have to find out. I asked that he send me documentation to show where these were transferred. I also discussed that they had requested for millicuries quantities in 8.C. and 8.D. I stated that they should be microcurie quantities and he concurred.

Action Required: Mr. Butterworth to send in documentation
