Diablo Canyon Power Plant Units 1 and 2
Revised Updated Final Safety Analysis Report, Revision 23

Reference:

1. PG&E Letter DCL-16-128, "Updated Final Safety Analysis Report, Revision 23," dated December 5, 2016

Dear Commissioners and Staff:

Pacific Gas and Electric Company (PG&E) submitted Diablo Canyon Power Plant (DCPP) Updated Final Safety Analysis Report (UFSAR), Revision 23, dated December 5, 2016 (Reference 1). Upon further review and discussions with the NRC Senior Project Manager, PG&E has determined that several figures redacted in Reference 1 did not need to be redacted. Enclosed are the revised versions of the UFSAR reflecting the changes for these figures.

Enclosure 1 provides an updated list of the information that has been redacted in accordance with NRC Regulatory Issue Summary 2015-17, "Review and Submission of Updates to Final Safety Analysis Reports, Emergency Preparedness Documents, and Fire Protection Documents."

Enclosure 2 includes the UFSAR on one compact disc (CD), labeled: "Diablo Canyon Power Plant FSAR Update - Revision 23," dated December 2016. The enclosed UFSAR removes the "Withhold under 10 CFR 2.390" from the previously redacted figures. Enclosure 2 contains sensitive information and should be withheld from public disclosure in accordance with 10 CFR 2.390(d)(1).

Enclosure 3 contains one CD labeled: "Diablo Canyon Power Plant FSAR Update - Revision 23 (Redacted)." This version includes the figures that were previously redacted.

PG&E Letter DCL-17-038

PG&E makes no new or revised regulatory commitments (as defined by NEI 99-04) in this letter.

If you have any questions regarding this submittal, please contact Mr. Hossein Hamzehee at (805) 545-4720.

This certifies, to the best of my judgement and belief, that Revision 23 of the DCPP UFSAR accurately presents changes made since the previous submittal that are necessary to reflect information and analysis submitted to the Commission or pursuant to Commission requirements.

Sincerely,

A handwritten signature in black ink, appearing to read 'James M. Welsch'.

James M. Welsch
Vice President, Nuclear Generation
