Docket Nos. 50-387
and 50-388

Dear Ms. Raddatz:

Enclosed is a corrected tape of radiation doses for personnel who terminated employment with Pennsylvania Power and Light Company (PP&L) between the periods of May 1, 1993, and August 31, 1993.

On September 15, 1993, PP&L submitted a computer generated termination tape for personnel who terminated employment between the period of May 1, 1993 and August 31, 1993, in accordance with NRC's authorization by Mr. W. J. Dircks dated December 16, 1993. However, on January 6, 1994, Ms. Jayne McCausland of your office notified PP&L that the tape submitted contained information irrelevant to personnel termination doses. This submittal was the result of an incorreced tape, from our computer group, being provided to our people responsible for compiling the termination dose information. We apologize for any inconvenience caused by the transmittal of the inappropriate information.

If you have any additional questions please contact Mr. Robert D. Kichline at (610) 774-7916.

Very truly yours,

R. G. Byram
