Dear Sirs

Or whomever is in charge.
 I would like to put my vote against
 the P.E.C.O. Electric Co. take over of
 P.P.L. I along with a lot of other
 people do not want P.E.C.O. to buy out
 P.P.L. I do not approve the buy out,
 too many times the Promises they
 make are only buy out stories with
 no backing. Talk is cheap. Pagnello
 only wants to give his "ego" a push
 to get money to pay for their debts,
 they are in. My reasons against
 this buy out are

- 1- Higher Electric Bills
 - 2- My family
 - My husband is retired
 - 1 Daughter
 - 1 son in law
 - 2 Sons
- } all work for P.P.L

We don't need a shake up like this
 our

Please let P. P. L alone

Share Holders & Stock Holders
all please vote NO!

PS. Mrs Bleacher
Paguette soon to return will
walk away with his pockets
full not caring about any one else
