Subject: Dominion Comments on Draft SE and TS

Chris,

Please see attached comments on the draft SE and TS from our Fuels Department.

As I mentioned in my voicemail, we would like to have a call Thursday afternoon after 2:00 pm if you could arrange that with the appropriate members of your staff. Please let me know what time would work for you and your staff.

Also, feel free to contact me with any questions you may have that you wish to discuss before our call.

Thank you,

Diane
