EXERCISE

Dear Mr. Byram:

Enclosed is a letter from Mrs. Janet E. Lamb FEMA Region III Regional Assistance Committee (RAC) Chairperson. The November 7, letter notified the Nuclear Regulatory Commission (NRC) of the two deficiencies identified during the October 28, 1997 exercise. The first deficiency was assessed against Columbia County Emergency Operations Center (EOC) under objective 10; Alert and Notification (A&N). This deficiency was later corrected during the exercise with a later A&N sequence. The second deficiency was assessed against Nescopeck Borough EOC in Luzerne County to meet the requirements of seven objectives. FEMA has requested that the Commonwealth of Pennsylvania take appropriate remedial actions, including remedial exercises, drills or other actions for the deficiency assessed against Nescopeck Borough EOC be conducted within 120 days.

We are forwarding this letter to your for your consideration.

Sincerely,
